

**Sheffield
Hallam
University**

**Transform
Yourself**

Turn your previous qualification into a *UK degree*

We consider some overseas qualifications to be equivalent to one or two years of a UK undergraduate degree. In recognition of this we award prior credit for equivalent qualifications from your home country.

We offer several top-up courses (one or two years in length). If you successfully complete one of our top-up courses, you gain an undergraduate degree. See overleaf for a full list.
